

Texas SLO 2025

ESC Trainer of Trainers

Building Capacity for High-Quality SLO Implementation Across Texas

Date: Monday,
August 3 &
Tuesday,
August 4, 2026
(2-days)

Location:
Region 1

Time:
9AM - 4:30PM

Workshop Description: This session is designed to support ESC through the Texas SLO. Participants will explore the current SLO framework, engage in hands-on activities to deepen understanding of the redesign components, and develop strategies for training and coaching educators. The workshop emphasizes building regional capacity to ensure consistent, high-quality implementation across Texas. Note: Pre-Requisite completion of Texas SLO Modules (5)

Audience: SLO ESC Leads and Trainers, TIA ESC Leads and Team, TIA Specialize Hubs, ESC Appraisal Teams
